INTER-FAITH FOOD SHUTTLE REPRESENTATIVE WAIVER

Assumption of risk and liability waiver: As a Food Shuttle representative (Staff, Volunteer, AmeriCorps Member or Intern) for the **Gardens For Everyone** project, I recognize that the project could present potential hazards including but not limited to cuts, falls, allergic reactions or other injuries as a result of activities and equipment used. I voluntarily assume all risks and dangers of injury to my person or property arising from, incidental to or related in anyway to my participation in the **Gardens For Everyone** project. I therefore do release and indemnify, defend and hold harmless the Food Shuttle or any other partnering entity from and against all claims, actions, suits, or proceedings of any kind or nature arising as the result of my actions while I participate with the Food Shuttle.

Project Activities: I understand this project will involve building 4' x 8' x 20" garden boxes at people's homes. I will need to carry lumber; move wheelbarrows full of soil and shovel the soil into the garden box; use power tools; keep up with tools and project supplies; drive a pickup truck; load and unload lumber. It will also require the ability to speak to people; demonstrate new ideas to people with no prior experience; and to help people gain confidence through your support and encouragement. This position requires travel within the 7 counties that the Food Shuttle serves.

I certify that I am at least 18 years of age.
